

ABOUT US

An Integrated Method to Support Migrants

Co-funded by the Erasmus+ Programme of the European Union

Our goal is to create an educational pathway for long-term unemployed, low-skilled, migrant adults with the purpose to:

- Contribute to the digital citizenship (active participation in the society);
- Contribute to the digital inclusion (quality of opportunities in the use of the network and for the development of a fun-innovative culture) .

Welcome to the first Newsletter of the project Erasmus + (Strategic Partnerships) "An Integrated Method to Support Migrants "

This newsletter will be published every three months and is intended to inform you on the progress of the project.

The aim of the project:

- Tailor the provision of education for migrants & refugees by creating an educational plan to help them achieve digital competences ;
- Train the trainers to deliver tailored education to migrants & refugees to help them integrate.

Primary beneficiaries:

200 low-skilled unemployed adult migrants and/or refugees will benefit from the pathway as testers and, through their experience, they will contribute to the validation of the final tools within the European dimension.

1

I01- The Scout Analysis for Job Requirements

Online self-assessment on the base of the framework of DIGCOM 2.0 that determines the needs of long term unemployed adult migrants and/or refugees, to foster the digital competences that they need to implement work-related activities.

THE PARTNERSHIP

The partnership consists of five organisations from four European countries.

- **Stichting Surplus**, Netherlands - (Project Coordinator)
- **Asociatia CFPC** Constanta, Romania - (Project Partner)

I03 - Validation Process

The result of I03 is a procedural methodology (guide) for the appreciative validation of non-formal competence of low skilled adults. This is achieved by collecting evidences and appreciative preferences.

PROJECT DURATION

The project-duration period is 35 months, starting October 2020 and finishing in August 2023.
